The Madison Jobe Senior Center is a recreation facility for active adults 50 years of age and older. It is operated by the City of Pasadena Parks and Recreation Department and is located near the intersection of Red Bluff and Thomas, close to Hwy 225. Whether you are working, semi-retired, or retired, we offer a variety of great leisure, educational and personal development opportunities for you. Our programs offer activities that encourage and support health, creativity, and social interaction for active adults.

Why not take the time to try something new?

Lou Ann Stories

Staring at the Astros field at ground level and being escorted through the tunnels again for a second time and getting on the big Jumbotron screens is both humbling and inspiring. When you are down there you are struck by how big and how remarkable a structure it is and with all the security that is everywhere.

I feel blessed to be there a third time and then again we will be there a fourth time September 21st. When we were on the field a really super nice guy came out to shake our hands and I recognized him as Reid Ryan, Nolan Ryan's son, who is the top guy when it comes to Astros Management. The thing that immediately strikes me about the entire Astros Management Team is how polite, kind and down to earth they all are and that goes for the security teams as well. No put ons or airs, they are real people and I really like that.

As Eric and I were on the field the first time to film his accomplishments for the big screen is when we received our Astros rings that are HUGE and fun. I had really wanted one but was never able to get tickets before they were all sold out. Then Well Care Texan Plus surprised us and gave each of the five finalists and their nominators (uh hem, that would be meeeee), THE RING. I squealed and jumped up and down like a kid. I could not believe it!!!! Yeeehaw!!!!

The funny part about it was also that I was trying hard to lobby the Astros marketing team for at least a ring for Eric and I and they told me there was no way that they were very, very scarce and didn't have any. Then when we went down on that massive green field, out came the boxes that were about the size of baseball boxes so, naturally, I thought, how sweet of them, we are getting some cool baseballs, but when I heard the first person scream, I knew then that it was the rings. I was happy if it was only going to be for Eric, but when I found out they were going to give BOTH of us a ring, I seriously nearly fainted with happiness. Ohhhh I felt like a Banty hen all decked out with that ring. And both

Eric and I have had such fun sharing it with the seniors and showing it off and with the hundreds of people playing like they were going to steal it from us.

I want to thank each of you all for voting for Eric as it benefits us all soooo very, very much. By this time next month we will know if we have won or not. We seriously need your votes every day from every computer you can find and every cell phone you can vote from and every Facebook friend etc.

You can go on our own new Madison Jobe Facebook page, or the City of Pasadena's Facebook page for links or enter

www.wellcarechampions.com/Eric

Together, we can move mountains, **we can even win \$25,000 but it will take us all working at it everyday.** At least get one other person voting for Eric that hasn't before who may not even know it and tell them it is for the benefit of our seniors to help win money for great things at the center.

And the joy of looking up and waving to our group of seniors that were at the Astros game that night was a joyous feeling. You all waved back!!! It was a whole huge group that was waving back and all the people that were on the field with us said, "WOW!" Not only did I feel humbled but I also felt proud to represent you all and felt proud for getting Eric into all this mess. LOL! Hang in there with us a few more days until midnight on September 14th.

Love to all and a Happy September,
Lou Ann

With much Aloha and appreciation for our mainland friends
