

UTILITY AUTHORIZATION RELEASE FORM

(TO BE SUBMITTED BY THIRD-PARTY REVIEWER/INSPECTOR)

As of September 1, 2025, the City of Pasadena Permit Department meets the requirements of S.B. 1202, from the 89th Legislature, Regular Session, as per State of Texas law mandating the same. This form shall serve as the notice to the regulatory authority and **MUST** be received not later than the 15th day after the person completes the inspection.

This form must be signed by a third-party inspector that is independent of the applicant and the regulatory authority, and they must be qualified to conduct the inspection (e.g., certified inspectors, State of Texas licensed contractors or licensed engineers).

A utility release form for each utility type must be provided to the Permit Department for review and approval. The Building Permit Department will not release utility services until ALL required documents are received from the third-party reviewer/inspector. This includes required electrical and/or plumbing inspections associated with this utility authorization release.
