

CDBG Project Signage

- Non residential construction projects funded by the City of Pasadena's Community Development Block Grant Program are required to have signage at the project site.
- The signage informs citizen that the project is being funded by the City of Pasadena's Community Development Department's CDBG Program, as well as listing the sponsor, architect and/or engineer and contractor. The sign should include equal opportunity language.
- The follow page lists specifications for the required construction site signage.
