

**PUBLIC NOTICE**  
**2017 CDBG/HOME/ESG CONSOLIDATED PROGRAM**  
**PLANNING AND APPLICATION PROCESS**  
**Notification of Anticipated Funding Available**

The City of Pasadena Community Development Department will begin the planning and development process for the 2017 Consolidated Program Year. Approximately \$2.1 million in federal funding is estimated to be available, pending receipt of the U.S. Department of Housing and Urban Development (HUD) funding agreement for 2017. Funding sources include the Community Development Block Grant (CDBG), Home Investment Partnerships Program (HOME), and Emergency Solutions Grants (ESG) Program. Funding will be prioritized to primarily benefit the low- to moderate-income areas and populations within the City of Pasadena. Each project shall produce outcomes that provide a positive impact to the community's needs, as outlined in the 2013-2017 Five Year Consolidated Plan.

**Priority objectives for funding include the following:**

- Adult Basic Education Services such as GED/ESL Courses, Language Proficiency Courses, Employment Training or Workforce Preparation;
- Health Services and/or Substance Abuse Prevention;
- Child Care Services;
- Special Needs Services, such as Transportation of Elderly/Disabled Persons, Senior Adult Programs, Meals on Wheels, or Youth Care Services;
- Affordable Housing Activities, such as the development of Affordable Housing, First-Time Homebuyer Assistance Programs, Housing Rehabilitation, Homeownership Counseling Services, and Community Housing Development Organizations (CHDO) projects;
- Public Facilities and Improvement Activities, such as Public Facilities, Infrastructure, or Neighborhood Centers within the eligible Low-Income Target Areas;
- Homeless Assistance, such as Supportive Services for Homeless Individuals and/or Domestic Violence Victims, Child Care, and Employment Preparation to transition homeless individuals to self-sufficiency.

**The Community Development Department will provide a program overview and review of the application packet during the Application Workshop, scheduled as follows:**
